275 Port Au Peck Avenue (Block 65, Lot 4)  
Oceanport Borough, Monmouth County, New Jersey  
NJEMS Preferred ID Nos. 456828 (SW), 554168 (SRP)

Dear Neighbor,

Brinkerhoff Environmental Services, Inc. (Brinkerhoff) is sending you this letter as a courtesy to notify you that field investigation activities will be conducted later this month at the property located at 275 Port Au Peck Avenue in Oceanport, Monmouth County, New Jersey. The investigation will be conducted under the rules and regulations set forth by the New Jersey Department of Environmental Protection (NJDEP) and will include the installation of test pit excavations to determine the horizontal and vertical extent of fill material. During the field operations, Brinkerhoff will perform dust and air monitoring, soil and groundwater sampling. The area disturbed during the investigation will be restored at the end of each work day. During the investigation, health and safety procedures will be followed to prevent dust and potential contaminants from migrating from the site.

Brinkerhoff site representatives are scheduled to be on-site to conduct the above-referenced activities from Monday, October 16, 2017 to Friday, October 27, 2017. Proposed investigation activities are anticipated to take one (1) week to complete; however, a second week has been included in the schedule to address potential delays caused by inclement weather conditions.

We will provide periodic updates regarding the progress of the environmental work.

Respectfully submitted,

BRINKERHOFF ENVIRONMENTAL SERVICES, INC.

A handwritten signature in blue ink, appearing to read "Laura Brinkerhoff", is written over a light blue grid background.
