Mayor's Message

Normally I try to keep this column on the light and breezy side because we've already got enough serious news to deal with in our everyday lives. This month's topic is the municipal budget and, for the life of me, I can't figure out a way to be "light and breezy" about such a boring and complicated subject that impacts upon all of us so profoundly. For most people, the approach of Spring brings thoughts of warmer weather, flowers in bloom, and baseball being played by kids in the parks. For the Borough Council, however, it is a time of knotted stomachs because Spring Time is Budget Time and Budget Time is the governmental equivalent of a root canal.

This year will be no different than any of the years past, except for the fact that we now have a written plan of attack for the fiscal challenges Oceanport faces over the next decade or so. Last year, for what I believe is the first time in our Borough's history, our Business Administrator, Raymond Poerio, and our C.F.O., Katie LaPorta, working in conjunction with the Borough's Finance Committee, Clerk, Police Chief, Fire Chief, administrative staff, municipal court staff, auditors and financial advisors, put together a budget analysis that provides an in-depth profile of where Oceanport is now financially and where it projects to be in three, five, and seven years. This analysis will be augmented and improved again this year as new information becomes available and our staff is able to drill down even deeper into the Borough's finances. I can state without fear of contradiction that the detail contained in this document is unprecedented in Oceanport's history and represents a major step forward in our ability to forecast, predict, and control the costs associated with our Borough's growth and development.

One of the cautionary notes taken from this analysis is that for too long Oceanport has neglected to spend money on basic items like the maintenance and repair of our streets and storm drains. Last year, we began the process of figuring out how to reverse that trend while, at the same time, keeping costs as low as possible. To that end, Oceanport has entered into a shared services arrangement with the Borough of Shrewsbury for the purchase of a Jet-Vac Truck and a Street Sweeper. The Jet-Vac will be used to clean out storm drains that have not been cleaned since Superstorm Sandy which, in turn, may help alleviate some of the flooding issues so prevalent in our Borough. As the storm drains are being cleaned, moreover, the Borough will be installing check valves at each of the outfalls in town to help prevent river water from backing up into the drains and onto the streets. The Borough will be bonding 1.3 million dollars over the next 4 years to cover the costs of the check valves, although we have applied for grant funding to offset those costs.

Over the past decade, the Borough has averaged about 6/10

of a mile in road repair/replacement each year. Our engineers have indicated that we should be averaging anywhere from 1.6 to 1.9 miles each year and this year's budget will permit us to fix the drainage problem on Myrtle Avenue, add sidewalks from Monmouth Boulevard to Port Au Peck on Myrtle Avenue and, in conjunction with Monmouth County, completely repave Myrtle Avenue and Monmouth Boulevard. Cub Scout Corner

Oceanport Cub Scout Pack 58 continues to learn, grow, and have fun! During the winter months, the dens have been continuing their requirements from their handbooks as well as going on interesting visits around the community. Some of the dens went to watch a rehearsal of the men's chorus, "Chorus of the Atlantic", and learned about singing and harmony. Bear Den also had a fantastic tour of the Monmouth County Sheriff's department and saw how the 911 call center works and learned about fingerprints and forensics too.

Some of the boys from the Arrow of Light and Webelos dens participated in the Quail Hill Webelos Klondike Derby and took second place with their team, "KMAMMZ Patrol" (first letter of each scout's name)! The Klondike Derby is the ultimate Webelos challenge that tests scouting skills in such areas as first aid, fire building, orienteering, knot tying and team building skills. Patrol KBAMMZ earned a total of 498 points throughout the event. An amazing learning experience for all.

Webelos Den has been collecting camping equipment for scouts in Beaumont, TX, right outside of Houston. This pack was chosen after they lost their belongings in the hurricane last year. If anyone has any camping gear that they would like to donate, please contact lcaccamise812@comcast.net.

The entire pack held its highly popular annual Pinewood Derby event in February, complete with trophies for fastest, funniest, and most unique race cars. The night finished out with a pizza party for the boys, parents, sisters, and brothers.

The highest ranked den, Arrow of Light, is preparing to "cross-over" and become boy scouts at a special ceremony in March. Congratulations to all six boys for your hard work the past five years and good luck as Boy Scouts!

Over the next few months, be on the lookout for our scouts hiking around town, hosting a lemonade sale, painting fire hydrants, or even presenting a park with a handmade Little Free Library!

The Pack will also be inviting Wolf Hill Kindergarten boys to a pack meeting in May if they are interested in joining Pack 58! Boys are eligible to join as first graders. The strength of Cub Scout Pack 58 is only because of all of the involvement of the awesome families involved. Thank you to everyone that makes our Pack thrive. If you or someone you know is interested in joining or volunteering, please contact nagywc@gmail.com.

Garden Club News

The Garden Club meets the 4th Thursday of the month at Blackberry Bay Pavilion. Social time is from 10:00 – 10:30 am. The meeting is called to order at 10:30 am and concludes 11:30 am. The speaker or demonstrator starts at 11:30 am and their program runs until 12:30 pm.

March 22nd our program will be on Butterflies and Bees presented by Jeannie Geremia. She is very well informed on the subject, so the lecture will be quite interesting. On April 26th the meeting will involve all members sharing their floral expressions as they will create 108 arrangements in mugs. These arrangements will be delivered to their senior friends and Borough community locations like the library, Borough Hall, the schools, and senior housing.

The May 24th meeting will be based on "Easter Parade" and a Hat Making Workshop will be demonstrated by Linda Dennis. She will teach members how to make a beautiful spring hat. The hats can then be worn to the Garden Club June Luncheon which will be held on June 14th at the Old Orchard Country Club. Some time thereafter there will be a display of the hats at the West Long Branch Museum.

June 14th is the last Club meeting until September. Even though the Club does not meet during the summer, many of the members will be busy taking care of the planting in and around town. Please give them a thumbs up when you see them, they work very hard to keep our Borough looking beautiful!

You do not have to be an Oceanport resident to belong to the Garden Club. Please contact the following people to join: Penelope Gabriel at (732)229-8274, MaryLou Chace at (732)299-1837 or Sandy Crome at (732)741-4080.

A few March/April Garden Tips:

1. Start your winter cleanup of the lawn and planting beds.
2. If you left any perennials or grasses standing over the winter, cut back dead stems before or as the plants put out new growth.
3. Fertilize trees and shrubs in late March or early April.
4. Transplant shrubs, trees, and divided plants before they leaf out.

section at Oceanport Avenue and Main Street will be redesigned and re-aligned and a new signaling system will be installed. The majority of funding for this project will come from a DOT grant. A good number of secondary roads (including, but not limited to, Milton, Avon, and Allenhurst) are also scheduled for upgrade. Our three, five, and seven year plans will ultimately address how all the roads in Oceanport will be improved.

The members of the Borough Council aren't just elected officials; we're taxpayers too, and we're acutely aware we have an obligation to ensure that our tax dollars are spent wisely. We believe that while street repair and drain cleanout may not be the sexiest way to spend our tax dollars, they represent the most prudent expenditure of capital and will prove to be the best investment in our town's future. Our budget will be introduced to the public shortly and, as always, you are invited to review it and provide your comments and questions on it. And, as an added bonus, if you attend a Borough Council meeting, you can have Buddy Brocklebank autograph your copy of the budget.
