WHEREAS, on March 22, 2019, the Mayor recommended to the Governing Body that the Application be approved, provided that all legal prerequisites are met; and

WHEREAS, on April 16, 2019, by Ordinance No.999 (the "Ordinance"), the Governing Body approved the Application, subject to the terms and conditions of this Financial Agreement and authorized the execution of this Financial Agreement; and

WHEREAS, pursuant to this Financial Agreement, the Borough and the Entity desire to set forth in detail their mutual rights and obligations with respect to the Long Term Tax Exemption; and

WHEREAS, the Governing Body has reviewed the Application and has made the following findings:

A. Benefits of Project v. Costs.

- i. The development and construction of the Project will be beneficial to the overall community; will provide, maintain and improve quality affordable housing; will help revitalize the Property; will improve the quality of life for the community; will serve as a catalyst for further private investment in areas surrounding the Property and will enhance the economic development of the Borough.
- ii. It is anticipated that the development of the Project will create approximately twenty-five (25) full-time equivalent construction jobs over the duration of the construction of the Project, as well as approximately two (2) full-time permanent job in connection with the operation of the Project.
- iii. Prior to entry into this Financial Agreement, the Property was subject to a tax exemption pursuant to an Agreement for Annual Service Charge in Lieu of Property Taxation dated as of August 17, 1978, under the Limited Dividend Non-Profit Housing Corporation or Associations Law, as amended (N.J.S.A. 55:16 et seq.) (the "Prior Exemption"). In 2018, pursuant to the Prior Exemption, the Property, including the improvements thereon, generated at least \$57,200 in municipal revenue. The Property has not been subject to conventional taxation since at least the year of commencement of the Prior Exemption. Pursuant to this Financial Agreement, in addition to the maintenance and improvement of affordable rental housing within the Borough, the Project is projected to generate revenue for the Borough in the first year of approximately \$251,798, well in excess of the municipal revenue previously generated by the Property. The benefits to the Borough accruing as a result of the Project, including the provision of affordable housing, the generation of jobs, and the generation of municipal revenues, will substantially outweigh any incremental costs to the Borough resulting from the Long Term Tax Exemption granted herein.

B. <u>Importance of Long Term Tax Exemption.</u>

The Governing Body's approval of the Long Term Tax Exemption set forth herein is essential to the success of the Project because:

- i. The relative stability and predictability of the Annual Service Charge (as defined herein) associated with the Project will make it more attractive to financial institutions whose participation is necessary in order to finance the Project.
- ii. The relative stability and predictability of the Annual Service Charge will allow the Entity to provide a high level of maintenance for the Property and will have a positive impact on the surrounding area and community.
- iii. The financial benefit conferred by the Long Term Tax Exemption supports the inclusion of affordable rental units on terms affordable to a mix of households with low and moderate incomes.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties to this Agreement mutually covenant and agree as follows:

Section 5.1 Agreement to Arbitrate

If the Borough or the Entity breaches this Financial Agreement (other than with respect to a Payment Default), or a dispute arises between the Parties regarding the terms and provisions set forth herein, then the Parties shall submit the dispute to arbitration, which shall utilize State law and the arbitration rules of the American Arbitration Association in the State, to be resolved in accordance with its rules and regulations in such fashion as to accomplish the purposes of the Exemption Law and this Financial Agreement. The costs of arbitration shall be borne equally by

the Parties involved in the arbitration. The demand for arbitration shall be filed in writing and shall be made within a reasonable time after a dispute or breach occurs. (Section 1.3(F) hereof shall not apply for purposes of the foregoing sentence.) The arbitrator(s) shall make written findings of fact and conclusions of law. Any arbitration award may be appealed by either party to the New Jersey Superior Court, Law Division, with respect to asserted errors of fact or law, and the outcome of such appeal may be further appealed in the State courts, and shall not be limited in any way due to the origin of the action in arbitration.

Notwithstanding the foregoing, if the Entity fails to pay the Annual Service Charge or Minimum Annual Service Charge, the Borough, among its other remedies, reserves the right to proceed against the Project, pursuant to N.J.S.A. 54:5-1 to 54:5-129, and any Act supplementary or amendatory thereof, and shall not be required to submit such matters to arbitration. The Entity agrees that the timely payment of the Minimum Annual Service Charge or the Annual Service Charge, to the Borough, as well as continued compliance with Applicable Laws, are material conditions of this Financial Agreement. The failure to make any of the aforesaid payments in timely fashion shall constitute both a breach of this Financial Agreement and a tax payment delinquency under Applicable Law.

Section 5.3 Remedies upon Default

All of the remedies provided in this Agreement, and all rights and remedies granted to the Parties by law and equity, shall be cumulative and concurrent. No termination of any provision within this Agreement shall deprive the Borough of any of its remedies in accordance with law or actions against the Entity because of its failure to pay the Annual Service Charge, and/or the water and sewer charges with interest payments. The bringing of any action due to a Default under this Agreement shall not be construed as a waiver of the right to enforce any other remedy provided in this Agreement. Nothing in this Agreement shall be deemed to create personal liability on the part of any Entity for any of the provisions of this Agreement, the Borough's rights and remedies to collect any obligation due and owing hereunder to be the same as the Borough's rights and remedies with respect to collection of real estate taxes generally under Applicable Law.

Section 5.4 Notification of Breach Required

Other than with respect to the nonpayment or late payment of all or a portion of the Annual Service Charge or Minimum Annual Service Charge (any of the foregoing a "Payment Default"), the Borough shall notify the Entity in writing of any breach relating to the terms of this Financial Agreement. If the Entity fails to cure a Payment Default within ten (10) days of its occurrence, or fails to cure any other breach within thirty (30) Days after the actual delivery of notice by the Borough, or within any additional periods to which the Parties may agree to, in

writing (with respect to defaults other than Payment Defaults, the Borough shall not unreasonably refuse to grant a reasonable extension of the cure period, not to exceed sixty (60) days after the Notice unless the Borough in its sole discretion shall agree to a longer cure period), the Borough may invalidate the Long Term Tax Exemption by providing thirty (30) Days' written notice to the Entity, which shall inform the Entity that the Long Term Tax Exemption shall terminate at the expiration of said thirty (30) Day notice period due to the breach of the terms of this Financial Agreement.

Section 5.5 Force Majeure

Neither Party shall be liable to the other for failure to perform its obligations under this Agreement due to causes that are beyond the reasonable control and not substantially due to the fault or negligence of the party seeking to excuse delay or failure of performance of an obligation hereunder by reason thereof, including, but not limited to, declarations of public emergency; acts of nature (as to weather-related events, limited to severe and unusual events or natural occurrences such as hurricanes, tornadoes, earthquakes, and floods); acts of the public enemy; acts of terrorism; acts of war; fire; epidemics; quarantine restrictions; blackouts, power failures, or energy shortages; governmental embargoes; strikes or similar labor action by equipment or material suppliers or transporters, or unavailability of necessary building materials. Notwithstanding the foregoing, the payment of Land Taxes, Annual Service Charge and Minimum Annual Service Charge are material conditions of this Agreement which shall not be excused by the occurrence of a force majeure event.

Section 5.6 Certificate of Occupancy

It is understood and agreed that it shall be the obligation of the Entity to obtain any Certificates of Occupancy required by law in a reasonably timely manner. The Borough shall reasonably cooperate in processing Entity's request(s) for the issuance of any Certificate(s) of Occupancy.

Section 5.7 Filing of Certificate of Occupancy

It shall be the responsibility of the Entity to forthwith file with both the Tax Assessor and the Tax Collector a copy of any Certificate of Occupancy issued for the Project.

Failure of the Entity to file such issued Certificate of Occupancy as required by the preceding paragraph shall not militate against any action or non-action taken by the Borough, including, if appropriate, retroactive billing with interest for any charges determined to be due, in the absence of such filing by the Entity.

ARTICLE VI - LIMITATION ON PROFITS

Section 6.1 Entity's Covenant of Limitation on Profits

During the period of tax exemption as provided herein, the Entity shall be subject to a limitation of its profits pursuant to the provisions of *N.J.S.A.* 40A:20-15. Pursuant to *N.J.S.A.*

40A:20-3(c), this calculation is completed in accordance with generally accepted accounting principles.

Section 6.2 Permitted Reserves

The Entity shall have the right to establish a reserve against vacancies, unpaid rentals, and reasonable contingencies in an amount up to ten percent (10%) of the Annual Gross Revenues of the Entity for the prior fiscal year (hereinafter referred to as the "Reserve") and may retain such part of the Excess Net Profits as is necessary to eliminate a deficiency in that Reserve, as provided in *N.J.S.A.* 40A:20-15.

Section 6.3 Payment of Dividend and Excess Profit Charge

In accordance with N.J.S.A. 40A:20-15, if the Net Profits of the Entity shall exceed the Allowable Net Profits in any accounting period, then the Entity, within ninety (90) days after the end of the accounting period, shall pay such Excess Net Profits to the Borough as an additional Annual Service Charge; provided, however, that the Entity may maintain a Reserve as determined pursuant to Section 6.2.

Section 6.4 Payment of Reserve/Excess Net Profit Upon Termination, Expiration or Sale.

The Termination Date of this Agreement, or the date of sale or transfer of the Improvements, shall be considered to be the close of the fiscal year of the Entity. Within ninety (90) days after such date, the Entity shall pay to the Borough the amount of the Reserve, if any, maintained by it pursuant to Section 6.2, and the Excess Net Profits, if any.

ARTICLE VII - TERMINATION OF AGREEMENT AND INSPECTIONS

Section 7.1 Voluntary Termination of the Financial Agreement by Entity

Pursuant to the Exemption Law, the Entity or any Transferee may at any time after the expiration of one (1) year from the ASC Commencement Date, notify the Borough in writing that, as of a certain date designated in the notice, it relinquishes its status as an urban renewal entity under the Exemption Law and that the Entity, or Transferee, has obtained the consent of the Commissioner of the Department of Community Affairs, if required by Applicable Law. As of that date, all of the obligations and requirements contained in this Financial Agreement shall terminate. Notwithstanding the foregoing, such relinquishment shall not impact the obligation of the Entity or the Transferee, as applicable, to make payment of any Annual Service Charge or Minimum Annual Service Charge that has accrued up to and including the Termination Date, or the obligation of the Entity or the Transferee, as applicable, to perform the final accounting required by the Exemption Law and Section 7.2 below.

Section 7.2 Termination and Final Accounting

Within ninety (90) Days after the Termination Date, whether by affirmative action of the Entity or by virtue of the provisions of the Applicable Law or pursuant to the terms of this

Financial Agreement, the Entity shall provide a final accounting and pay to the Borough the Reserve, if any, pursuant to N.J.S.A. 40A:20-15, as well as any Excess Net Profits, if any payable as of that date. For purposes of rendering a final accounting, the Termination Date of the Financial Agreement shall be deemed to be the end of the fiscal year for the Entity.

Section 7.3 Taxes After Termination Date

After the Termination Date, the Long Term Tax Exemption shall expire, and the Property and the Improvements constructed thereupon shall thereafter be assessed and conventionally taxed according to Applicable Law as other real property in the Borough.

Section 7.4 Rights of Inspection

The Entity shall permit the inspection of its property, equipment, buildings and other facilities of the Project by representatives duly authorized by the Borough and Division of Local Government Services in the Department of Community Affairs pursuant to N.J.S.A. 40A:20-9(e). The Entity shall also permit, upon written request, examination and audit of its books, contracts, records, documents and papers relating to the Project by representatives duly authorized by the Borough and Division of Local Government Services in the Department of Community Affairs pursuant to N.J.S.A. 40A:20-9(e). Such inspection shall be made upon five (5) days' prior written notice, in the presence of an officer or agent designated by the Entity. To the extent reasonably possible, the inspection will not materially interfere with construction or operation of the Project. Nothing in this section shall be construed to affect, limit or restrict the powers of municipal, county, State or other officials from carrying out those inspections that are generally applicable outside of the Exemption Law context, including, but not limited to, inspections by fire officials, construction code officials, etc.

ARTICLE VIII - SALE OR LEASE OF PROJECT

Section 8.1 Approval of Sale of Project to Entity Formed and Eligible to Operate Under Applicable Law

The Entity shall not transfer all or any portion of the Project without the prior written approval of the Borough, except that after completion of the Project, the Entity shall be permitted to transfer all or any portion of the Project to another urban renewal entity, qualified and organized under the Exemption Law (a "Transferee"), and approved by the Borough under the conditions set forth herein. As permitted by N.J.S.A. 40A:20-10(a), it is understood and agreed that the Borough, on written application by the Entity after completion of the Project, shall consent to a sale of the Project and the transfer of this Agreement provided: (i) the transferee entity does not own or lease any other Project subject to long term tax exemption at the time of transfer; (ii) the transferee entity is formed and eligible to operate under the Exemption Law; (iii) the Entity is not then in Default of this Agreement or the Exemption Law; (iv) the Entity's obligations under this Agreement are fully assumed by the transferee entity; (v) the transferee entity agrees to abide by all terms and conditions of this Agreement including, without limitation, the filing of an application pursuant to N.J.S.A. 40A:20-8, and any other terms and conditions of the Borough in regard to the Project; (vi) the transferee entity possesses the

requisite experience, qualifications, and financial capacity to operate and manage the Project; and (vii) the principal owners of the transferee entity possess the same business reputation, financial qualifications and credit worthiness as the Entity and are otherwise reputable.

Notwithstanding the above, it is expressly understood and agreed that the Entity is permitted, without the prior approval of the Borough, to effect the following transfers with respect to the Project:

- A. Encumber the Project, e.g., mortgage financing, development easements, etc., provided that any such encumbrance is subordinate to the lien of the Annual Service Charges.
 - B. Transfer the ownership interest in the Entity to an Affiliate.
- C. Lease any portion of the Project to an end user, with such tenant not being required to be an entity eligible to operate under the Exemption Law.

Notwithstanding anything to the contrary contained in A. through C., above, or elsewhere in this Agreement, the Parties expressly agree and acknowledge that the Entity shall not enter into any lease, whether or not with an Affiliate or related entity, that shall operate to minimize or remove revenues properly includable in the calculation of Annual Gross Revenue.

Section 8.2 Obligations of Entity and Transferee after Conveyance

If the Entity transfers the Project to a Transferee with the consent of the Borough and the Transferee has assumed the contractual obligations of the transferor Entity with the Borough, pursuant to Section 8.1 hereof, then the Entity shall be absolutely discharged from any further obligations regarding the Project and shall be qualified to undertake another project pursuant to the Exemption Law. Within ninety (90) Days after the date of a transfer, the Entity shall pay to the Borough any Reserve maintained by it pursuant to this Financial Agreement, as well as any Excess Net Profits payable to the Borough pursuant to this Financial Agreement and the Exemption Law.

Section 8.3 Collateral Assignment

It is expressly understood and agreed that the Entity has the right, to the extent permitted by the Exemption Law to encumber and/or assign its fee title to the Property and/or Improvements for purposes of (i) financing the design, development and construction of the Project and (ii) permanent mortgage financing with respect to the Project.

(a) The Borough acknowledges that the Entity and/or its affiliates intend to obtain secured financing in connection with the acquisition, development and construction of the Project. The Borough agrees that the Entity and or its affiliates may, subject to compliance with the Exemption Law, assign, pledge, hypothecate or otherwise transfer its rights under this Agreement and/or its interest in the Project to one or more secured parties or any agents therefore (each, a "Secured Party" and collectively, the "Secured Parties") as security for obligations of the Entity, and/or its affiliates, incurred in connection with such secured financing (collectively, the "Security Arrangements"). The Entity shall give the Borough written notice of any such Security

Arrangements, together with the name and address of the Secured Party or Secured Parties. Failure to provide such notice waives any requirement of the Borough hereunder to provide any notice of Default or notice of intent to enforce its remedies under this Agreement.

- (b) If the Entity shall Default in any of its obligations hereunder, the Borough shall give written notice of such Default to the Secured Parties and the Borough agrees that, in the event such Default is not waived by the Borough or cured by the Entity, its assignee, designee or successor, within the period provided for herein, before exercising any remedy against the Entity hereunder, the Borough will provide the Secured Parties a reasonable period of time to cure such Default, but in any event not less than twenty (20) days from the date of such notice to the Secured Parties with regard to a Payment Default by the Entity and ninety (90) days from the date the Entity was required to cure any other Default.
- (c) In the absence of a Default by the Entity, the Borough agrees to consent to any collateral assignment by the Entity to any Secured Party or Secured Parties of its interests in this Agreement and to permit each Secured Party to enforce its rights hereunder and under the applicable Security Arrangement and shall, upon request of the Secured Party, execute such documents as are typically requested by secured parties to acknowledge such consent. This provision shall not be construed to limit the Borough's right to payment from the Entity, nor shall the priority of such payments be affected by the Secured Party exercising its rights under any applicable Security Arrangement.

ARTICLE IX - ENTITY'S COVENANTS AND REPRESENTATIONS

Section 9.1 Management and Operation

Subject to its right to transfer the Project pursuant to Section 8.1 of this Financial Agreement, the Entity represents and covenants that the Entity will manage the Project or will contract with a third party management company. The Entity shall be free to enter into leases with Tenants for the Rental Units without the consent of the Borough.

Section 9.2 Computation of Gross Revenue

The Entity shall, for the duration of this Agreement, calculate the Annual Gross Revenue in accordance with the Exemption Law and this Financial Agreement and the computation of Annual Gross Revenue shall be shown on the Entity's Annual Audited Statement.

Section 9.3 Annual Audit Report

For so long as the Entity owns the Project and within ninety (90) Days after the close of each fiscal or calendar year (depending on the Entity's accounting basis) that this Financial Agreement shall continue in effect, the Entity shall submit to the Mayor of the Borough, the Governing Body, the CFO of the Borough, and the New Jersey Division of Local Government Services within the New Jersey Department of Community Affairs, its Annual Audited Statement for the preceding fiscal or calendar year in accordance with the Exemption Law. The report shall clearly identify and calculate the Net Profit for the Entity during the previous fiscal

year. The Entity assumes all costs associated with preparation of the Annual Audited Statements. Except to the extent required by Applicable Law, all financial information provided hereunder shall remain confidential and not subject to public disclosure.

Section 9.4 Total Project Cost Audit

Within ninety (90) days after the final Certificate of Occupancy is issued for the Project, the Entity shall submit to the Mayor and Governing Body an audit of Total Project Cost certified as to actual construction costs by the Entity's architect.

Section 9.5 Disclosure Statement

On each anniversary date of the execution of this Agreement, the Entity shall submit to the Mayor and Governing Body, who shall advise those municipal officials required to be advised, a disclosure statement listing the persons having an ownership interest in the Project, and the extent of the ownership interest of each and such additional information as the Borough may request from time to time.

<u>ARTICLE X - INDEMNIFICATION</u>

Section 10.1 Indemnification

It is understood and agreed that in the event the Borough shall be named as a party defendant in any action brought against the Borough or the Entity by allegation of any breach, Default or a violation of any of the provisions of this Agreement and/or the provisions of the Exemption Law or any other Applicable Law, the Entity shall indemnify and hold the Borough harmless from and against all liability, losses, damages, demands, costs, claims, actions or expenses (including reasonable attorneys' fees and expenses) of every kind, character and nature arising out of or resulting from the action or inaction of the Entity and/or by reason of any breach, Default or a violation of any of the provisions of this Agreement, the provisions of the Exemption Law and/or any other Applicable Law except for any willful misconduct by the Borough or any of its officers, officials, employees or agents, and the Entity shall defend the suit at its own expense. The Borough shall be entitled to intervene in any such suit, and retain attorneys of its choosing, whether as party defendant or intervener, the cost of such attorneys to be borne by the Entity in accordance with this Section.

ARTICLE XI - MISCELLANEOUS PROVISIONS

Section 11.1 Governing Law

This Financial Agreement shall be governed by the provisions of Applicable Law including but not limited to the Exemption Law. This Agreement shall be construed and enforced in accordance with the laws of the State, without regard to or aid of any presumption or other rule requiring construction against the party drawing or causing this Agreement to be drawn since counsel for both the Entity and the Borough have combined in their review and approval of same.

Section 11.2 Oral Representation

Notices shall be effective upon the earlier of receipt or rejection of delivery by the addressee. Any notice given by an attorney for a Party shall be effective for all purposes. In addition, if the Entity delivers formal written notice to the Borough in accordance with this Agreement, of the name and address of Entity's mortgagee, then the Borough shall provide such mortgagee with a copy of any notice required to be sent to the Entity.

Section 11.5 Severability

If any term, covenant or condition of this Financial Agreement shall be judicially declared to be invalid or unenforceable, the remainder of this Financial Agreement or the application of such term, covenant or condition to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term, covenant or condition of this Financial Agreement shall be valid and be enforced to the fullest extent permitted by Applicable Law.

If any portion of this Financial Agreement shall be judicially declared to be invalid and unenforceable and provided that a Default has not been declared pursuant to this Financial Agreement, the Parties shall cooperate with each other to take the actions reasonably required to restore the Financial Agreement in an manner contemplated by the Parties, including, but not limited to the authorization and amendment of this Financial Agreement in a form reasonably drafted to effectuate the original intent of the Parties.

Section 11.7 Certification

The Borough Clerk shall certify to the Tax Assessor, pursuant to N.J.S.A. 40A:20-12, that a Financial Agreement with an urban renewal entity, i.e., the Entity, for the development of the Project, has been entered into and is in effect as required by the Exemption Law. Delivery by the Borough Clerk to the Tax Assessor of a certified copy of the Ordinance and this Financial Agreement shall constitute the required certification. Upon certification as required hereunder and upon the ASC Commencement Date, the Tax Assessor shall implement the tax exemption and continue to enforce that tax exemption without further certification by the Borough Clerk

until the expiration of the entitlement to tax exemption by the terms of this Financial Agreement or until the Tax Assessor has been duly notified by the Borough Clerk that the tax exemption has been terminated.

Further, within 10 calendar days following the later of the effective date of the Ordinance or the execution of the Financial Agreement by the Entity, the Borough Clerk shall transmit a certified copy of the Ordinance and the Financial Agreement to the chief financial officer of Monmouth County and to the Monmouth County Counsel for informational purposes.

Section 11.8 Estoppel Certificate

Within thirty (30) days following written request therefore by the Entity, or any mortgagee, purchaser, tenant or other party having an interest in the Project, the Borough shall issue a signed estoppel certificate in reasonable form stating that (i) this Financial Agreement is in full force and effect, (ii) to the best of the Borough's knowledge, no Default has occurred under this Agreement (nor any event which, with the passage of time and/or the giving of notice would result in the occurrence of a Default) or stating the nature of any Default, and (iii) stating any such other reasonable information as may be requested. In the event the estoppel certificate discloses a Default, it shall also state the manner in which such Default may be cured.

Section 11.9 Application Fee

EXHIBIT B – APPLICATION

March 22, 2019

Mayor John F. Coffey II Borough of Oceanport, NJ

Re: Oceanport Gardens PILOT Application – Update

Dear Mayor Coffey:

Enclosed please find updates to the PILOT Application for Oceanport Gardens that was submitted in July 2018. Oceanport Gardens is a 101-unit affordable apartment community located at 274 East Main Street, occupied by elderly and non-elderly residents with disabilities. The property consists of a 6-story brick building with 90 one- and 11 two-bedroom units, including 1 two-bedroom employee unit, as well as a management office, laundry, and community spaces. The property sits on a 4.4-acre lot with off-street parking in the Village Center area of Oceanport.

Built in 1980, the property is aging and in need of rehabilitation to preserve the units as quality affordable housing. Oceanport Urban Renewal Preservation, L.P. (the "Applicant"), an affiliate of Related Affordable, LLC, is working with the New Jersey Housing and Mortgage Finance Agency ("NJHMFA") to obtain financing to acquire and renovate the property to preserve an important affordable housing resource for the long term. In connection with the proposed rehabilitation, we plan to renew the Section 8 Housing Assistance Payment contract and enter into regulatory agreements with NJHMFA to maintain the affordability of the property for current and future residents.

In order to obtain the financing necessary for the acquisition and rehabilitation of the property, the Applicant proposes to enter into a new 30-year PILOT agreement under the Long-Term Tax Exemption Law.

Thank you for the opportunity to submit this application and please let me know if we can provide any additional information.

Sincerely,

David Pearson

Vice President, General Partner

Oceanport Urban Renewal Preservation, L.P.

Long Term Tax Exemption Application

Borough of Oceanport 315 East Main Street Oceanport, New Jersey 07757

This application should be addressed and submitted to the Mayor of the Borough of Oceanport with copies to the Borough Administrator, Borough Clerk, Borough Attorney and Borough Tax Assessor at the above address. Discussion and negotiations with respect to the financial plan are typically performed by and best discussed with the Borough Administrator who confers with other interested parties as required prior to any recommendation to the governing body.

Updates to the Oceanport Gardens PILOT Application submitted in July 2018, as of March 22, 2019

Exhibit 8 Narrative Description of the Project / Exhibit 13 Project Financing Plan

The Applicant has applied for tax-exempt bonds and 4% low income housing tax credits ("LIHTCs") from New Jersey Housing and Mortgage Finance Agency (NJHMFA) to finance the acquisition and rehabilitation of Oceanport Gardens. The proposed financing structure is short-term conduit tax-exempt bonds from NJHMFA collateralized by a permanent Fannie Mae mortgage-backed securities (MBS) loan serviced by The Community Preservation Corporation (CPC). The anticipated permanent loan amount is approximately \$18.5 million. Other sources of funding for the project include equity raised from the sale of the LIHTCs allocated by NJHMFA in the approximate amount of \$7.9 million, income from operations and/or sponsor equity in the approximate amount of \$893,000, and deferred developer overhead and fee in the approximate amount of about \$878,000. As the proposed LIHTC investor, Wells Fargo would own the 99.99% investor limited partner interests in the project.

The property currently has a PILOT agreement with the Borough of Oceanport that runs through 2028. The Applicant proposes to enter into a new 30-year PILOT agreement under the Long-Term Tax Exemption Law.

Exhibit 11 Total Project Cost Estimate / Exhibit 19 Redevelopment Plan for the Property

The proposed construction budget has been increased since the submission of the application in July 2018. The current approximate anticipated costs associated with the rehabilitation are listed below and the updated scope of work is attached.

Construction Costs	\$4,399,000
Project Soft Costs	\$1,193,000
Legal Costs	\$234,000
Financing Issuance Costs	\$1,255,000
Reserves and Escrows	\$694,000
Developer Overhead and Fee	\$1,557,000
TOTAL	\$9,332,000

Exhibit 12 Project Financial Pro-forma

HUD approved Housing Assistance Payment (HAP) contract rents to be effective at closing based on the proposed renovation scope. These approved rents were modified slightly compared to the rents projected in the initial application. The annual service charge schedule has also been updated as outlined in the updated form of financial agreement.

An updated 30-year projection of revenue and expenses for the project, including reserves, debt service payments, and the annual service charge to the Borough per the proposed PILOT is attached. Also attached is an updated comparison of the historical annual service charge and the projected annual service charge based on the proposed post-rehabilitation HAP contract rents and annual service charge schedule.

Exhibit 14 Explanation of the Need for a PILOT Agreement

The project currently has a PILOT agreement with the Borough of Oceanport under the Limited Dividend Law. Per the current PILOT agreement, the owner pays to the Borough an amount of 4.5% of annual rent less the cost of utilities. The Applicant proposes to enter into a 30-year PILOT agreement under the Long-Term Tax Exemption Law with an annual service charge based on a percentage of annual gross revenue as outlined in the updated financial agreement.

Approval of the proposed PILOT is necessary for the project to receive the allocation of NJHMFA volume cap and Fannie Mae / CPC loan proceeds that (1) make up the primary source of funds for the proposed acquisition and renovation and (2) make the project eligible for an allocation of 4% LIHTCs, the sale of which make up the second largest source of funds for the project. Without the PILOT, the Applicant would not be able to secure sufficient financing for the acquisition and rehabilitation of the property.

Exhibit 15 Project Schedule Estimate

The Applicant plans to close on the acquisition of the property, with all financing and approvals in place, in mid-2019. The rehabilitation will commence within 30 days of closing to be completed by mid-2020.

Oceanport Gardens is a 101-unit affordable apartment community located at 274-278 East Main Street, Oceanport, New Jersey, occupied by elderly and non-elderly residents with disabilities. The property consists of a 6-story brick building with 90 one- and 11 two-bedroom units, including 1 two-bedroom employee unit, as well as a management office, resident services office, laundry room, community room, and library. The property sits on a 4.4-acre lot with off-street parking along the main thoroughfare in the Village Center area of Oceanport, across from a mixed-use development including retail, healthcare services, and market-rate apartments. The property is located on a bus route and within walking distance to a local park.

Built in 1980, the property has been well-maintained but is aging and in need of rehabilitation to preserve the units as quality affordable housing. Oceanport Urban Renewal Preservation, L.P. (the 'Applicant'), an affiliate of Related Affordable, LLC ("Related"), intends to work with the New Jersey Housing and Mortgage Finance Agency ("NJHMFA") to obtain tax-exempt volume cap and 4% tax credits to finance the acquisition and rehabilitation of the property. The proposed financing structure is a Freddie tax-exempt loan (TEL) serviced by Wells Fargo.

The proposed scope includes façade repairs, roof replacement, concrete/paving repairs, landscaping, signage, additional site lighting, accessibility modifications, and upgrades to the leasing office, laundry, and other common areas, as well as renovation in 100% of units to include new cabinets and fixtures in kitchens and baths, new appliances, new flooring, and painting.

A project-based Section 8 Housing Assistance Payment ("HAP") contract funded by the U.S. Department of Housing and Urban Development ("HUD") covers 100 units. Rents are below market for the area and the Applicant intends to obtain a new 20-year Mark-Up-To-Market HAP Renewal Contract.

As an affordable housing property, the preserved housing units will be restricted to occupation by low-income households per tax-exempt financing, tax credit, and Section 8 guidelines. These restrictions will be governed by regulatory agreements signed with NJHMFA in connection with the tax-exempt volume cap and tax credit financing, as well as the HAP contract and HUD use agreement, to be executed at closing.

The proposed project will conform to all applicable municipal ordinances. Moreover, the project aligns with the Borough's Zoning and Master Plan. The project is located in the V-C-Village Center zone. Per the zoning ordinance, "This zone encompasses the Borough's downtown area and was created to

enhance the image and vitality of the Village Center by encouraging mixed use infill development with strong pedestrian elements." The development will upgrade the property aesthetically, including façade work, new signage, improved landscaping, and sidewalk / paving repair, contributing to the image, vitality, and walkability of the Village Center area.

The 2016 Draft Reexamination of the Master Plan states the goal of "providing a variety of housing types affordable to households with a range of incomes, particularly within walking distance of transit, service centers, and employment." The Draft also states affordable senior housing as a challenge. The 2008 Approved Reexamination of the Master Plan recognized the need to promote senior housing. This development will preserve affordable housing for seniors and non-senior residents with disabilities that is accessible to transit (bus stop in front of property), health services, and retail by addressing the physical needs of an aging building and by extending the affordability commitment for an additional 30 years, aligning with the Master Plan.

The property currently has a PILOT agreement with the Borough of Oceanport that runs through 2028. The Applicant proposes to terminate the existing PILOT and enter into a new 20-year PILOT agreement under the Long-Term Tax Exemption Law.

Exhibit 13 Project Financing Plan

The Applicant has applied for tax-exempt volume cap and 4% low income housing tax credits ('LIHTCs') from NJHMFA to finance the acquisition and rehabilitation of the property. Subject to NJHMFA approval of tax-exempt volume cap, the Applicant intends to execute a conduit financing structure using a Freddie Mac tax-exempt loan (TEL) serviced by Wells Fargo in the approximate amount of \$17.5 million. Other sources of funding for the project include equity raised from the sale of the LIHTCs allocated by NJHMFA in the approximate amount of \$7.4 million, income from operations in the approximate amount of \$400,000, and deferred developer overhead and fee in the approximate amount of about \$700,000. As the proposed LIHTC investor, Wells Fargo would own the 99.99% investor limited partner interests in the project.

Exhibit 14 Explanation of the Need for a PILOT Agreement

The project currently has a PILOT agreement with the Borough of Oceanport under the Limited Dividend Law that expires in 2028. Per the current PILOT agreement, the owner pays to the Borough an amount of 4.5% of annual rent less the cost of utilities.

The Applicant proposes to terminate the existing PILOT and enter into a new 20-year PILOT agreement under the Long-Term Tax Exemption Law with payment amount set at 4.5% of rent less utilities consistent with the existing PILOT.

Approval of the proposed PILOT is necessary for the project to receive the allocation of NJHMFA volume cap and Freddie Mac / Wells Fargo loan proceeds that (1) make up the primary source of funds for the proposed acquisition and renovation and (2) make the project eligible for an allocation of 4% LIHTCs, the sale of which make up the second largest source of funds for the project. Without the PILOT, the Applicant would not be able to secure sufficient financing for the acquisition and rehabilitation of the property.

The rehabilitation of the property using tax-exempt financing and LIHTCs is important to preserve an affordable housing resource that meets demand for affordable housing for low-income seniors and residents with disabilities in the Borough of Oceanport.

Exhibit 15 Project Schedule Estimate

The Applicant plans to close on the acquisition of the property, with all financing and approvals in place, in early Fall 2018 and no later than early October 2018. The rehabilitation will commence within 30 days of closing and will occur over 9-12 months, to be completed by mid-2019.

The Applicant requests approval of the new PILOT agreement by September 1, 2018 so that all parties, including the Applicant, state agency, lender, and investor, can complete underwriting and provide approvals to close within the timeframe outlined above.

Built in 1980, the property has been reasonably maintained but is aging and in need of rehabilitation to preserve the units as quality affordable housing for low-income elderly and non-elderly disabled residents of the Borough. This project is one of few affordable housing properties in the area and is important to meet the demand for housing available to low-income residents of the Borough.

The proposed project will provide a capital infusion into the property that will preserve these units for the long-term. The renovation will improve the property functionally and aesthetically, minimizing maintenance concerns and enhancing livability for residents.

The site improvements will also support the goals outlined in the Borough's zoning ordinance and Master Plan by contributing to the image, vitality, and walkability of the Village Center area and ensuring the availability of affordable housing within walking distance of amenities such as transit, health services, and retail.

In addition to physical improvements to the site, the Applicant will commit to maintaining the property as affordable by entering into a new Section 8 HAP rental subsidy contract and entering into regulatory agreements with NJHMFA in connection with project financing to maintain the Property as affordable for a minimum of 30 years. This commitment to maintain the affordability will protect an important affordable housing resource for the long term.

In connection with the renovation, the property is expected to receive an increase in Section 8 HAP contract rents to adjust the current below-market rents to post-rehabilitation market rents. This rent adjustment will result in a projected 33% increase in the annual service charge paid under the PILOT.

WHEREAS, on March 22, 2019, the Mayor recommended to the Governing Body that the Application be approved, provided that all legal prerequisites are met; and

WHEREAS, on April 18, 2019, by Ordinance No. [●] (the "Ordinance"), the Governing Body approved the Application, subject to the terms and conditions of this Financial Agreement and authorized the execution of this Financial Agreement; and

WHEREAS, pursuant to this Financial Agreement, the Borough and the Entity desire to set forth in detail their mutual rights and obligations with respect to the Long Term Tax Exemption; and

WHEREAS, the Governing Body has reviewed the Application and has made the following findings:

A. Benefits of Project v. Costs.

- i. The development and construction of the Project will be beneficial to the overall community; will provide, maintain and improve quality affordable housing; will help revitalize the Property; will improve the quality of life for the community; will serve as a catalyst for further private investment in areas surrounding the Property and will enhance the economic development of the Borough.
- ii. It is anticipated that the development of the Project will create approximately twenty-five (25) full-time equivalent construction jobs over the duration of the construction of the Project, as well as approximately two (2) full-time permanent job in connection with the operation of the Project.
- iii. Prior to entry into this Financial Agreement, the Property was subject to a tax exemption pursuant to an Agreement for Annual Service Charge in Lieu of Property Taxation dated as of August 17, 1978, under the Limited Dividend Non-Profit Housing Corporation or Associations Law, as amended (N.J.S.A. 55:16 et seq.) (the 'Prior Exemption'). In 2018, pursuant to the Prior Exemption, the Property, including the improvements thereon, generated at least \$57,200 in municipal revenue. The Property has not been subject to conventional taxation since at least the year of commencement of the Prior Exemption. Pursuant to this Financial Agreement, in addition to the maintenance and improvement of affordable rental housing within the Borough, the Project is projected to generate revenue for the Borough in the first year of approximately \$251,798, well in excess of the municipal revenue previously generated by the Property. The benefits to the Borough accruing as a result of the Project, including the provision of affordable housing, the generation of jobs, and the generation of municipal revenues, will substantially outweigh any incremental costs to the Borough resulting from the Long Term Tax Exemption granted herein.

B. **Importance of Long Term Tax Exemption.**

The Governing Body's approval of the Long Term Tax Exemption set forth herein is essential to the success of the Project because:

- i. The relative stability and predictability of the Annual Service Charge (as defined herein) associated with the Project will make it more attractive to financial institutions whose participation is necessary in order to finance the Project.
- ii. The relative stability and predictability of the Annual Service Charge will allow the Entity to provide a high level of maintenance for the Property and will have a positive impact on the surrounding area and community.
- iii. The financial benefit conferred by the Long Term Tax Exemption supports the inclusion of affordable rental units on terms affordable to a mix of households with low and moderate incomes.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties to this Agreement mutually covenant and agree as follows:

ARTICLE II - PROJECT AND PROPERTY

Section 2.1. Borough's Findings

Pursuant to the Exemption Law, the Borough finds that the Long Term Tax Exemption granted pursuant to this Financial Agreement will benefit the Borough and the community by assuring the success of the rehabilitation of the Property. The development and construction of the Project will be beneficial to the overall community; will preserve and improve quality affordable rental housing; will help revitalize the Property; will improve the quality of life for the

community; is expected to generate twenty-five (25) construction jobs and two (2) permanent job; will serve as a catalyst for further private investment in areas surrounding the Property and will enhance the economic development of the Borough. The benefits to the Borough accruing as a result of the Project, including the preservation and improvement of affordable housing, the generation of jobs, and the generation of municipal revenues, will substantially outweigh any incremental costs to the Borough resulting from the Long Term Tax Exemption granted herein.

The Long Term Tax Exemption is important to the Borough and the Entity because without the incentive of the Long Term Tax Exemption, it is unlikely that the Project would be undertaken. The Long Term Tax Exemption will allow the Entity to provide a high level of maintenance for the Property, as well as the preservation and improvement of affordable rental units on terms affordable to a mix of households with low and moderate incomes.

Section 2.2 Approval of Agreement

The Borough hereby approves a Long Term Tax Exemption for the Project, which is to be rehabilitated, operated and maintained on the Property in accordance with the terms and conditions set forth herein, the provisions of the Exemption Law and other Applicable Law.

Section 2.3 Approval of the Entity

The Borough hereby approves of the Entity in reliance upon the Entity's representation that its certificate of formation contains all the requisite provisions of law, has been reviewed and approved by the Commissioner of the New Jersey State Department of Community Affairs, and has been filed with, as appropriate, the New Jersey State Department of Treasury, all in accordance with N.J.S.A. 40A:20-5.

Section 2.4 Rehabilitation of the Property

The Entity agrees that it will rehabilitate, construct, operate and maintain the Project.

Section 2.5 Entity's Relationship to Property

The Entity is the contract purchaser of the Property.

ARTICLE III – OWNERSHIP, MANAGEMENT AND CONTROL

Section 3.1 Entity's Representation

The Entity represents that it shall acquire the Property and remain the fee title owner of the Property throughout the rehabilitation and operation of same, subject to its right of transfer in accordance with Section 8.1 hereof.

Section 3.2 Required Provisions of Financial Agreement

To the extent not otherwise set forth herein, those items required by <u>N.J.S.A.</u> 40A:20-9 to be included in this Financial Agreement are set forth in the Application attached hereto as

Exhibit C, which is incorporated herein as if set forth at length, and the Entity represents and warrants as to the accuracy of the contents thereof.

Section 3.3 Fiscal Plan

The Entity represents that the Project shall be financed in accordance with the representations set forth in the Application, including the Fiscal Plan attached thereto, which is also attached hereto as Exhibit D. The Application and Fiscal Plan set forth, among other things, the estimated Total Project Cost, amortization rates on the Total Project Cost, the source of funds, the interest rates to be paid on construction financing, the source and amount of paid in capital, and the terms of any mortgage amortization.

Section 3.4 Estimated Rental Schedule

The Entity sets forth its good faith projections of the Annual Gross Revenue from the Project in the Fiscal Plan annexed to and made a part of this Financial Agreement at Exhibit D.

ARTICLE IV - TAX EXEMPTION; ANNUAL SERVICE CHARGE

Section 4.1 Term

Subject to compliance with this Agreement, this Agreement shall be in effect from the Effective Date through the Termination Date. However, in no case shall this Agreement remain in effect longer than 35 years from the Effective Date. Upon the expiration of this Agreement (i) the tax exemption for the Project shall expire and the Property and the Improvements thereon shall thereafter be assessed and taxed according to the general law applicable to other non-exempt property in the Borough and (ii) any restrictions and limitations upon the Entity shall terminate upon such Entity's rendering and the Borough's acceptance of its final accounting to the Borough, pursuant to N.J.S.A. 40A:20-13.

Section 4.2 Calculation of Annual Service Charge

In consideration of the Borough granting the Entity the Long Term Tax Exemption set forth in this Financial Agreement, the Entity shall pay to the Borough for municipal services supplied to the Project, as provided in the Exemption Law, an Annual Service Charge as follows:

- (a) <u>Stage One</u>: From the ASC Commencement Date until the fifteenth anniversary of the ASC Commencement Date, the Annual Service Charge shall be (i) fifteen (15.0%) percent of AGR for the first year; (ii) six (6.0%) percent of AGR for the second year; (iii) four and one-half (4.5%) percent of AGR for the third through tenth years and (iv) six and twenty-eight one-hundredths (6.28%) of AGR for the eleventh through fifteenth years; and
- (b) <u>Stage Two</u>: From the first day after the fifteenth anniversary of the ASC Commencement Date until the twentieth anniversary of the ASC Commencement Date, the Annual Service Charge shall be equal to the greater of six and twenty-eight one-hundredths (6.28%) percent of AGR or twenty (20%) percent of the amount of the taxes otherwise due on the value of the Property and the Improvements.

- (c) <u>Stage Three</u>: From the first day after the twentieth anniversary of the ASC Commencement Date under the twenty-fourth anniversary of the ASC Commencement Date, the Annual Service Charge shall be equal to the greater of six and twenty-eight one-hundredths (6.28%) percent of AGR or forty (40%) percent of the amount of the taxes otherwise due on the value of the Property and the Improvements;
- (d) <u>Stage Four</u>: From the first day after the twenty-fourth anniversary of the ASC Commencement Date until the twenty-seventh anniversary of the ASC Commencement Date, the Annual Service Charge shall be equal to the greater of six and twenty-eight one-hundredths (6.28%) percent of AGR or sixty (60%) percent of the amount of the taxes otherwise due on the value of the Property and the Improvements;
- (e) <u>Final Stage</u>: From the first day after the twenty-seventh anniversary of the ASC Commencement Date until the thirtieth anniversary of the ASC Commencement Date, the Annual Service Charge shall be equal to the greater of six and twenty-eight one-hundredths (6.28%) percent of AGR or eighty (80%) percent of the amount of the taxes otherwise due on the value of the Property and the Improvements.

Section 4.3 Minimum Annual Service Charge

Notwithstanding anything to the contrary in this Financial Agreement, including, without limitation, Section 4.2 hereof, the Annual Service Charge for the Project shall not be less than the Minimum Annual Service Charge.

Section 4.4 Intentionally Omitted

Section 4.5 Quarterly Installments

The Annual Service Charge or the Minimum Annual Service Charge, as the case may be, shall be paid in quarterly installments on those dates when *ad valorem* real estate tax payments on other properties within the Borough are due, subject to adjustment for over payment or underpayment within thirty (30) days after the close of each calendar year. If the Entity fails to so pay, the amount unpaid shall bear the highest rate of interest permitted in the case of the unpaid taxes or tax liens on the Property until paid. The Entity's failure to make the requisite payments of Annual Service Charge or Minimum Annual Service Charge, in a timely manner shall constitute a Default under this Agreement and the Borough may, among its other remedies as provided in this Financial Agreement, proceed against the Project pursuant to the In Rem Tax Foreclosure Act, N.J.S.A. 54:5-1 et seq. In addition, the Borough may terminate this Agreement with respect to the Project in accordance with Section 5.4 hereof. Any Default arising out of the Entity's failure to pay the Annual Service Charge or Minimum Annual Service Charge, shall not be subject to the dispute resolution remedies provided in Section 5.1.

Section 4.6 Rights and Obligations Related to Long Term Tax Exemption

- (a) All Annual Service Charge or Minimum Annual Service Charge payments, as the case may be, made pursuant to this Financial Agreement shall be in lieu of taxes and, as set forth above, the Borough shall have the rights and remedies of tax enforcement granted to a municipality by Applicable Law, including those of in rem tax foreclosure pursuant to N.J.S.A. 54:5-1, just as if said payments constituted regular real property tax obligations on other real properties within the Borough.
- (b) If the ASC Commencement Date occurs on a date other than the last day of a quarter, the amount of *ad valorem* real estate taxes for such period up to the ASC Commencement Date shall be based on a per diem basis for such quarter.
- (c) Any lease of a Rental Unit to a Tenant shall be subject to the terms of this Financial Agreement and shall not require the consent or approval of the Borough. The Borough shall look solely to the Entity and not any Tenant with respect to the collection of the unpaid portion of the Annual Service Charge imputed to a particular unit.

Section 4.7 Remittance to County

The Borough shall remit to the County of Monmouth five percent (5%) of the Annual Service Charge received each year from the Entity, pursuant to N.J.S.A. 40A:20-12(b)(2)(e).

Section 4.8 Payment Prior to ASC Commencement Date

The Parties agree that payments in lieu of taxes on existing Improvements as charged prior to the date of this Agreement are due from time to time in accordance with Applicable Law prior to the ASC Commencement Date.

Section 4.9 Other Municipal Services.

Nothing herein shall exempt the Entity from the payment of any applicable municipal services. The Entity shall timely pay for municipal services rendered to the Project and/or to the Property.

ARTICLE V - DISPUTE RESOLUTION; DEFAULT

Section 5.1 Agreement to Arbitrate

If the Borough or the Entity breaches this Financial Agreement (other than with respect to a Payment Default), or a dispute arises between the Parties regarding the terms and provisions set forth herein, then the Parties shall submit the dispute to arbitration, which shall utilize State law and the arbitration rules of the American Arbitration Association in the State, to be resolved in accordance with its rules and regulations in such fashion as to accomplish the purposes of the Exemption Law and this Financial Agreement. The costs of arbitration shall be borne equally by

the Parties involved in the arbitration. The demand for arbitration shall be filed in writing and shall be made within a reasonable time after a dispute or breach occurs. (Section 1.3(F) hereof shall not apply for purposes of the foregoing sentence.) The arbitrator(s) shall make written findings of fact and conclusions of law. Any arbitration award may be appealed by either party to the New Jersey Superior Court, Law Division, with respect to asserted errors of fact or law, and the outcome of such appeal may be further appealed in the State courts, and shall not be limited in any way due to the origin of the action in arbitration.

Notwithstanding the foregoing, if the Entity fails to pay the Annual Service Charge or Minimum Annual Service Charge, the Borough, among its other remedies, reserves the right to proceed against the Project, pursuant to N.J.S.A. 54:5-1 to 54:5-129, and any Act supplementary or amendatory thereof, and shall not be required to submit such matters to arbitration. Whenever the word "Taxes" appears or is applied, directly or implied, to mean taxes or municipal liens on land, such statutory provisions shall be read, as far as is pertinent to this Agreement, as if the Annual Service Charge are taxes or municipal liens on land.

Section 5.2 Covenant to Make Payments

The Entity agrees that the timely payment of the Minimum Annual Service Charge or the Annual Service Charge, to the Borough, as well as continued compliance with Applicable Laws, are material conditions of this Financial Agreement. The failure to make any of the aforesaid payments in timely fashion shall constitute both a breach of this Financial Agreement and a tax payment delinquency under Applicable Law.

Section 5.3 Remedies upon Default

All of the remedies provided in this Agreement, and all rights and remedies granted to the Parties by law and equity, shall be cumulative and concurrent. No termination of any provision within this Agreement shall deprive the Borough of any of its remedies in accordance with law or actions against the Entity because of its failure to pay the Annual Service Charge, and/or the water and sewer charges with interest payments. The bringing of any action due to a Default under this Agreement shall not be construed as a waiver of the right to enforce any other remedy provided in this Agreement. Nothing in this Agreement shall be deemed to create personal liability on the part of any Entity for any of the provisions of this Agreement, the Borough's rights and remedies to collect any obligation due and owing hereunder to be the same as the Borough's rights and remedies with respect to collection of real estate taxes generally under Applicable Law.

Section 5.4 Notification of Breach Required

Other than with respect to the nonpayment or late payment of all or a portion of the Annual Service Charge or Minimum Annual Service Charge (any of the foregoing a "Payment Default"), the Borough shall notify the Entity in writing of any breach relating to the terms of this Financial Agreement. If the Entity fails to cure a Payment Default within ten (10) days of its occurrence, or fails to cure any other breach within thirty (30) Days after the actual delivery of notice by the Borough, or within any additional periods to which the Parties may agree to, in

writing (with respect to defaults other than Payment Defaults, the Borough shall not unreasonably refuse to grant a reasonable extension of the cure period, not to exceed sixty (60) days after the Notice unless the Borough in its sole discretion shall agree to a longer cure period), the Borough may invalidate the Long Term Tax Exemption by providing thirty (30) Days' written notice to the Entity, which shall inform the Entity that the Long Term Tax Exemption shall terminate at the expiration of said thirty (30) Day notice period due to the breach of the terms of this Financial Agreement.

Section 5.5 Force Majeure

Neither Party shall be liable to the other for failure to perform its obligations under this Agreement due to causes that are beyond the reasonable control and not substantially due to the fault or negligence of the party seeking to excuse delay or failure of performance of an obligation hereunder by reason thereof, including, but not limited to, declarations of public emergency; acts of nature (as to weather-related events, limited to severe and unusual events or natural occurrences such as hurricanes, tornadoes, earthquakes, and floods); acts of the public enemy; acts of terrorism; acts of war; fire; epidemics; quarantine restrictions; blackouts, power failures, or energy shortages; governmental embargoes; strikes or similar labor action by equipment or material suppliers or transporters, or unavailability of necessary building materials. Notwithstanding the foregoing, the payment of Land Taxes, Annual Service Charge and Minimum Annual Service Charge are material conditions of this Agreement which shall not be excused by the occurrence of a force majeure event.

Section 5.6 Certificate of Occupancy

It is understood and agreed that it shall be the obligation of the Entity to obtain any Certificates of Occupancy required by law in a reasonably timely manner. The Borough shall reasonably cooperate in processing Entity's request(s) for the issuance of any Certificate(s) of Occupancy.

Section 5.7 Filing of Certificate of Occupancy

It shall be the responsibility of the Entity to forthwith file with both the Tax Assessor and the Tax Collector a copy of any Certificate of Occupancy issued for the Project.

Failure of the Entity to file such issued Certificate of Occupancy as required by the preceding paragraph shall not militate against any action or non-action taken by the Borough, including, if appropriate, retroactive billing with interest for any charges determined to be due, in the absence of such filing by the Entity.

ARTICLE VI - LIMITATION ON PROFITS

Section 6.1 Entity's Covenant of Limitation on Profits

During the period of tax exemption as provided herein, the Entity shall be subject to a limitation of its profits pursuant to the provisions of *N.J.S.A.* 40A:20-15. Pursuant to *N.J.S.A.*

40A:20-3(c), this calculation is completed in accordance with generally accepted accounting principles.

Section 6.2 Permitted Reserves

The Entity shall have the right to establish a reserve against vacancies, unpaid rentals, and reasonable contingencies in an amount up to ten percent (10%) of the Annual Gross Revenues of the Entity for the prior fiscal year (hereinafter referred to as the "Reserve") and may retain such part of the Excess Net Profits as is necessary to eliminate a deficiency in that Reserve, as provided in *N.J.S.A.* 40A:20-15.

Section 6.3 Payment of Dividend and Excess Profit Charge

In accordance with N.J.S.A. 40A:20-15, if the Net Profits of the Entity shall exceed the Allowable Net Profits in any accounting period, then the Entity, within ninety (90) days after the end of the accounting period, shall pay such Excess Net Profits to the Borough as an additional Annual Service Charge; provided, however, that the Entity may maintain a Reserve as determined pursuant to Section 6.2.

Section 6.4 Payment of Reserve/Excess Net Profit Upon Termination, Expiration or Sale.

The Termination Date of this Agreement, or the date of sale or transfer of the Improvements, shall be considered to be the close of the fiscal year of the Entity. Within ninety (90) days after such date, the Entity shall pay to the Borough the amount of the Reserve, if any, maintained by it pursuant to Section 6.2, and the Excess Net Profits, if any.

ARTICLE VII - TERMINATION OF AGREEMENT AND INSPECTIONS

Section 7.1 Voluntary Termination of the Financial Agreement by Entity

Pursuant to the Exemption Law, the Entity or any Transferee may at any time after the expiration of one (1) year from the ASC Commencement Date, notify the Borough in writing that, as of a certain date designated in the notice, it relinquishes its status as an urban renewal entity under the Exemption Law and that the Entity, or Transferee, has obtained the consent of the Commissioner of the Department of Community Affairs, if required by Applicable Law. As of that date, all of the obligations and requirements contained in this Financial Agreement shall terminate. Notwithstanding the foregoing, such relinquishment shall not impact the obligation of the Entity or the Transferee, as applicable, to make payment of any Annual Service Charge or Minimum Annual Service Charge that has accrued up to and including the Termination Date, or the obligation of the Entity or the Transferee, as applicable, to perform the final accounting required by the Exemption Law and Section 7.2 below.

Section 7.2 Termination and Final Accounting

Within ninety (90) Days after the Termination Date, whether by affirmative action of the Entity or by virtue of the provisions of the Applicable Law or pursuant to the terms of this

Financial Agreement, the Entity shall provide a final accounting and pay to the Borough the Reserve, if any, pursuant to N.J.S.A. 40A:20-15, as well as any Excess Net Profits, if any payable as of that date. For purposes of rendering a final accounting, the Termination Date of the Financial Agreement shall be deemed to be the end of the fiscal year for the Entity.

Section 7.3 Taxes After Termination Date

After the Termination Date, the Long Term Tax Exemption shall expire, and the Property and the Improvements constructed thereupon shall thereafter be assessed and conventionally taxed according to Applicable Law as other real property in the Borough.

Section 7.4 Rights of Inspection

The Entity shall permit the inspection of its property, equipment, buildings and other facilities of the Project by representatives duly authorized by the Borough and Division of Local Government Services in the Department of Community Affairs pursuant to N.J.S.A. 40A:20-9(e). The Entity shall also permit, upon written request, examination and audit of its books, contracts, records, documents and papers relating to the Project by representatives duly authorized by the Borough and Division of Local Government Services in the Department of Community Affairs pursuant to N.J.S.A. 40A:20-9(e). Such inspection shall be made upon five (5) days' prior written notice, in the presence of an officer or agent designated by the Entity. To the extent reasonably possible, the inspection will not materially interfere with construction or operation of the Project. Nothing in this section shall be construed to affect, limit or restrict the powers of municipal, county, State or other officials from carrying out those inspections that are generally applicable outside of the Exemption Law context, including, but not limited to, inspections by fire officials, construction code officials, etc.

ARTICLE VIII - SALE OR LEASE OF PROJECT

Section 8.1 Approval of Sale of Project to Entity Formed and Eligible to Operate Under Applicable Law

The Entity shall not transfer all or any portion of the Project without the prior written approval of the Borough, except that after completion of the Project, the Entity shall be permitted to transfer all or any portion of the Project to another urban renewal entity, qualified and organized under the Exemption Law (a "Transferee"), and approved by the Borough under the conditions set forth herein. As permitted by N.J.S.A. 40A:20-10(a), it is understood and agreed that the Borough, on written application by the Entity after completion of the Project, shall consent to a sale of the Project and the transfer of this Agreement provided: (i) the transferee entity does not own or lease any other Project subject to long term tax exemption at the time of transfer; (ii) the transferee entity is formed and eligible to operate under the Exemption Law; (iii) the Entity is not then in Default of this Agreement or the Exemption Law; (iv) the Entity's obligations under this Agreement are fully assumed by the transferee entity; (v) the transferee entity agrees to abide by all terms and conditions of this Agreement including, without limitation, the filing of an application pursuant to N.J.S.A. 40A:20-8, and any other terms and conditions of the Borough in regard to the Project; (vi) the transferee entity possesses the

requisite experience, qualifications, and financial capacity to operate and manage the Project; and (vii) the principal owners of the transferee entity possess the same business reputation, financial qualifications and credit worthiness as the Entity and are otherwise reputable.

Notwithstanding the above, it is expressly understood and agreed that the Entity is permitted, without the prior approval of the Borough, to effect the following transfers with respect to the Project:

- A. Encumber the Project, e.g., mortgage financing, development easements, etc., provided that any such encumbrance is subordinate to the lien of the Annual Service Charges.
 - B. Transfer the ownership interest in the Entity to an Affiliate.
- C. Lease any portion of the Project to an end user, with such tenant not being required to be an entity eligible to operate under the Exemption Law.

Notwithstanding anything to the contrary contained in A. through C., above, or elsewhere in this Agreement, the Parties expressly agree and acknowledge that the Entity shall not enter into any lease, whether or not with an Affiliate or related entity, that shall operate to minimize or remove revenues properly includable in the calculation of Annual Gross Revenue.

Section 8.2 Obligations of Entity and Transferee after Conveyance

If the Entity transfers the Project to a Transferee with the consent of the Borough and the Transferee has assumed the contractual obligations of the transferor Entity with the Borough, pursuant to Section 8.1 hereof, then the Entity shall be absolutely discharged from any further obligations regarding the Project and shall be qualified to undertake another project pursuant to the Exemption Law. Within ninety (90) Days after the date of a transfer, the Entity shall pay to the Borough any Reserve maintained by it pursuant to this Financial Agreement, as well as any Excess Net Profits payable to the Borough pursuant to this Financial Agreement and the Exemption Law.

Section 8.3 Collateral Assignment

It is expressly understood and agreed that the Entity has the right, to the extent permitted by the Exemption Law to encumber and/or assign its fee title to the Property and/or Improvements for purposes of (i) financing the design, development and construction of the Project and (ii) permanent mortgage financing with respect to the Project.

(a) The Borough acknowledges that the Entity and/or its affiliates intend to obtain secured financing in connection with the acquisition, development and construction of the Project. The Borough agrees that the Entity and or its affiliates may, subject to compliance with the Exemption Law, assign, pledge, hypothecate or otherwise transfer its rights under this Agreement and/or its interest in the Project to one or more secured parties or any agents therefore (each, a "Secured Party" and collectively, the "Secured Parties") as security for obligations of the Entity, and/or its affiliates, incurred in connection with such secured financing (collectively, the "Security Arrangements"). The Entity shall give the Borough written notice of any such Security

Arrangements, together with the name and address of the Secured Party or Secured Parties. Failure to provide such notice waives any requirement of the Borough hereunder to provide any notice of Default or notice of intent to enforce its remedies under this Agreement.

- (b) If the Entity shall Default in any of its obligations hereunder, the Borough shall give written notice of such Default to the Secured Parties and the Borough agrees that, in the event such Default is not waived by the Borough or cured by the Entity, its assignee, designee or successor, within the period provided for herein, before exercising any remedy against the Entity hereunder, the Borough will provide the Secured Parties a reasonable period of time to cure such Default, but in any event not less than twenty (20) days from the date of such notice to the Secured Parties with regard to a Payment Default by the Entity and ninety (90) days from the date the Entity was required to cure any other Default.
- (c) In the absence of a Default by the Entity, the Borough agrees to consent to any collateral assignment by the Entity to any Secured Party or Secured Parties of its interests in this Agreement and to permit each Secured Party to enforce its rights hereunder and under the applicable Security Arrangement and shall, upon request of the Secured Party, execute such documents as are typically requested by secured parties to acknowledge such consent. This provision shall not be construed to limit the Borough's right to payment from the Entity, nor shall the priority of such payments be affected by the Secured Party exercising its rights under any applicable Security Arrangement.

ARTICLE IX - ENTITY'S COVENANTS AND REPRESENTATIONS

Section 9.1 Management and Operation

Subject to its right to transfer the Project pursuant to Section 8.1 of this Financial Agreement, the Entity represents and covenants that the Entity will manage the Project or will contract with a third party management company. The Entity shall be free to enter into leases with Tenants for the Rental Units without the consent of the Borough.

Section 9.2 Computation of Gross Revenue

The Entity shall, for the duration of this Agreement, calculate the Annual Gross Revenue in accordance with the Exemption Law and this Financial Agreement and the computation of Annual Gross Revenue shall be shown on the Entity's Annual Audited Statement.

Section 9.3 Annual Audit Report

For so long as the Entity owns the Project and within ninety (90) Days after the close of each fiscal or calendar year (depending on the Entity's accounting basis) that this Financial Agreement shall continue in effect, the Entity shall submit to the Mayor of the Borough, the Governing Body, the CFO of the Borough, and the New Jersey Division of Local Government Services within the New Jersey Department of Community Affairs, its Annual Audited Statement for the preceding fiscal or calendar year in accordance with the Exemption Law. The report shall clearly identify and calculate the Net Profit for the Entity during the previous fiscal

year. The Entity assumes all costs associated with preparation of the Annual Audited Statements. Except to the extent required by Applicable Law, all financial information provided hereunder shall remain confidential and not subject to public disclosure.

Section 9.4 Total Project Cost Audit

Within ninety (90) days after the final Certificate of Occupancy is issued for the Project, the Entity shall submit to the Mayor and Governing Body an audit of Total Project Cost certified as to actual construction costs by the Entity's architect.

Section 9.5 Disclosure Statement

On each anniversary date of the execution of this Agreement, the Entity shall submit to the Mayor and Governing Body, who shall advise those municipal officials required to be advised, a disclosure statement listing the persons having an ownership interest in the Project, and the extent of the ownership interest of each and such additional information as the Borough may request from time to time.

ARTICLE X - INDEMNIFICATION

Section 10.1 Indemnification

It is understood and agreed that in the event the Borough shall be named as a party defendant in any action brought against the Borough or the Entity by allegation of any breach, Default or a violation of any of the provisions of this Agreement and/or the provisions of the Exemption Law or any other Applicable Law, the Entity shall indemnify and hold the Borough harmless from and against all liability, losses, damages, demands, costs, claims, actions or expenses (including reasonable attorneys' fees and expenses) of every kind, character and nature arising out of or resulting from the action or inaction of the Entity and/or by reason of any breach, Default or a violation of any of the provisions of this Agreement, the provisions of the Exemption Law and/or any other Applicable Law except for any willful misconduct by the Borough or any of its officers, officials, employees or agents, and the Entity shall defend the suit at its own expense. The Borough shall be entitled to intervene in any such suit, and retain attorneys of its choosing, whether as party defendant or intervener, the cost of such attorneys to be borne by the Entity in accordance with this Section.

ARTICLE XI - MISCELLANEOUS PROVISIONS

Section 11.1 Governing Law

This Financial Agreement shall be governed by the provisions of Applicable Law including but not limited to the Exemption Law. This Agreement shall be construed and enforced in accordance with the laws of the State, without regard to or aid of any presumption or other rule requiring construction against the party drawing or causing this Agreement to be drawn since counsel for both the Entity and the Borough have combined in their review and approval of same.

Section 11.2 Oral Representation

Neither Party hereto has made any oral representation that is not contained in this Financial Agreement. This Financial Agreement and the Application, including all of the Exhibits attached and annexed hereto and thereto, constitute the entire Financial Agreement by and between the Parties.

Section 11.3 Modification

There shall be no modification of this Financial Agreement except by virtue of a written instrument executed by and between both Parties.

A notice, demand or other communication required to be given under this Agreement by any Party to the other shall be in writing and shall be sufficiently given or delivered if dispatched by United States Registered or Certified Mail, postage prepaid and return receipt requested, or delivered by overnight courier or delivered personally (with receipt acknowledged) to the parties at their respective addresses set forth herein, or at such other address or addresses with respect to the parties or their counsel as any party may, from time to time, designate in writing and forward to the others as provided in this Section:

Notices shall be effective upon the earlier of receipt or rejection of delivery by the addressee. Any notice given by an attorney for a Party shall be effective for all purposes. In addition, if the Entity delivers formal written notice to the Borough in accordance with this Agreement, of the name and address of Entity's mortgagee, then the Borough shall provide such mortgagee with a copy of any notice required to be sent to the Entity.

Section 11.5 Severability

If any term, covenant or condition of this Financial Agreement shall be judicially declared to be invalid or unenforceable, the remainder of this Financial Agreement or the application of such term, covenant or condition to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term, covenant or condition of this Financial Agreement shall be valid and be enforced to the fullest extent permitted by Applicable Law.

If any portion of this Financial Agreement shall be judicially declared to be invalid and unenforceable and provided that a Default has not been declared pursuant to this Financial Agreement, the Parties shall cooperate with each other to take the actions reasonably required to restore the Financial Agreement in an manner contemplated by the Parties, including, but not limited to the authorization and amendment of this Financial Agreement in a form reasonably drafted to effectuate the original intent of the Parties.

Section 11.6 Good Faith

The Entity and the Borough agree to act in good faith in all of their dealings with each other.

Section 11.7 Certification

The Borough Clerk shall certify to the Tax Assessor, pursuant to N.J.S.A. 40A:20-12, that a Financial Agreement with an urban renewal entity, i.e., the Entity, for the development of the Project, has been entered into and is in effect as required by the Exemption Law. Delivery by the Borough Clerk to the Tax Assessor of a certified copy of the Ordinance and this Financial Agreement shall constitute the required certification. Upon certification as required hereunder and upon the ASC Commencement Date, the Tax Assessor shall implement the tax exemption and continue to enforce that tax exemption without further certification by the Borough Clerk

until the expiration of the entitlement to tax exemption by the terms of this Financial Agreement or until the Tax Assessor has been duly notified by the Borough Clerk that the tax exemption has been terminated.

Further, within 10 calendar days following the later of the effective date of the Ordinance or the execution of the Financial Agreement by the Entity, the Borough Clerk shall transmit a certified copy of the Ordinance and the Financial Agreement to the chief financial officer of Monmouth County and to the Monmouth County Counsel for informational purposes.

Section 11.8 Estoppel Certificate

Within thirty (30) days following written request therefore by the Entity, or any mortgagee, purchaser, tenant or other party having an interest in the Project, the Borough shall issue a signed estoppel certificate in reasonable form stating that (i) this Financial Agreement is in full force and effect, (ii) to the best of the Borough's knowledge, no Default has occurred under this Agreement (nor any event which, with the passage of time and/or the giving of notice would result in the occurrence of a Default) or stating the nature of any Default, and (iii) stating any such other reasonable information as may be requested. Exhibit 18 Ordinance Adopting the Redevelopment Plan for the Property (If Applicable)

To be provided by Borough counsel.

Oceanport Gardens is a 101-unit affordable apartment community located at 274-278 East Main Street, Oceanport, New Jersey. The property consists of a 6-story brick building with a mix of 1- and 2-bedroom units, as well as a management office, resident services office, laundry room, community room, and library. The property sits on a 4.4-acre lot that includes off-street parking.

Over the course of 9-12 months, the proposed renovation will include improvements to the building interior, building exterior, and site. The proposed scope includes renovation in 100% of units to include new cabinets and fixtures in kitchens and baths, new appliances, new flooring, and painting. Other interior work will include improvements to the leasing office, laundry facilities, corridors, and community spaces, as well as building system upgrades and modifications to increase accessibility and security. Building exterior and site work will include façade repairs, roof replacement, additional site lighting, landscaping, signage, and concrete/paving repairs. A detailed scope is enclosed.

The renovation will not require permanent relocation of residents. The renovation within the units will be phased such that residents will need to be out of their units during the daytime while the renovation is taking place in their unit. In most cases, they can return in the evenings and sleep in their unit. However, some residents may need to temporarily relocate for several days up to two weeks for the period of time that work will occur in their unit and others may choose to do so for convenience. The Applicant and its management team will work closely with residents to identify optimal housing arrangements during the renovation.

In addition to the physical renovation planned for the property, the Applicant intends work with the on-site management staff and local partners to expand upon the existing resident programming and provide services such as health care and financial assistance to residents.
